## The debate

loan and Stefan stayed in the shade and talked about distributing the coins. loan gave Stefan 2 coins. "You had 2 loaves, you get 2 coins. I had 3 loaves, I get 3 coins." loan explained. "How did you figure that?" asked Stefan. The stranger did not have to pay. We should get 2.5 each. The argument went on without an agreement. At last Stefan had an idea: "Let's go to the court!" Off they went to the judge.
