

Plasticine faces

How does a face show emotions?

Use plasticine and create faces with different emotions on one of the blank faces on the next pages!

Illustrate:

- Happiness
- Sadness
- Fear
- Pride
- Shame

You can make your own plasticine

A recipe:

- 300g flour
- 2 dl water
- 300 g salt
- 2 tsp. oil
- food coloring

Mix the ingredients together, and you can start working with it right away!
