**Plan the scenes for interpreting the story!
Work together with your groupmates!**

- Define the tasks and divide them among mates!

_____	_____
_____	_____
_____	_____

- Don't forget to choose a person responsible for work, to distribute the tasks and that person must be listened to!

- How will you present your work at the end of the project?

- One should collect pictures/videos of the "making of"...

Build up the storyline! Work in group!

Talk with the other groups, so that the characters are similar in size but look somewhat different.

- Fix the main features of characters!
- Take into account the connections among people!
- Build up the storyline!

Draw your project: you can foresee the outcome and guide the process!

- What does the environment look like? What does it contain? What would you re-create? How?
- What materials would you use?
