

THE WALK OF THE DISTRACTED CHILD

S5 T1
L2

This is the first part of a story.
Read it and then... recreate it!

Giovannino goes for a walk

"Mom, I'm going for a walk."

"Go ahead, Giovanni, but be careful when you cross the street."

"All right, Mom. Bye, Mom."

"You're always so distracted."

"Yes mom. Bye, Mom."

Giovannino goes out happily and for the first part of the road he pays attention. Every so often he stops and touches himself.

"I'm all there? Yes." And he laughs to himself.

He is so happy to be careful that he starts hopping around like a sparrow, but then he gets caught up in looking at the shop windows, the cars, the clouds, and, of course, there the trouble starts.
