

# THE WALK OF THE DISTRACTED CHILD

S5 T4  
L2

This is the end of the story.  
Read it and then... recreate it

## Back home

Finally, Giovannino arrives, hopping on one leg, with no more ears or arms, but as cheerful as ever, cheerful as a sparrow. His mom shakes her head, puts him back and gives him a kiss.

"Anything missing, Mommy? Have I been good, Mommy?"

"Yes, Giovannino, you have been very good."
