

# THE WALK OF THE DISTRACTED CHILD

## Group:

S5  
T1-4  
L1

This is the story of a little boy who goes for a walk. He is very distracted and does not notice that some pieces of his body have been lost. Thanks to many kind people who notice his distraction, he is able to find the pieces of his body and arrive back home, where his mother is waiting for him.

### I work on:

I1

What does the landscape of the story look like?

Use ArTeC blocks, coloured papers, recycled materials.  
Build, draw, make origami, etc.

How can you deal with distraction/lack of attention?

You can dramatize the situation of a person who cannot focus on important things and loses their belongings everywhere.
