

## IL FIORE ROSSO

|                                                                                                                               |                                                                                                                                       |                                                                                                                                                   |                                                                                                                                    |
|-------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------|
|  <p>Bagheera, la<br/>Pantera Nera</p>        |  <p>disse a Mowgli</p>                               |  <p>prendere un<br/>po' di Fiore<br/>Rosso</p>                  |  <p>dalle capanne<br/>degli uomini .</p>        |
|  <p>Mowgli andò</p>                         |  <p>alle capanne.</p>                               |  <p>Ha guardato<br/>dentro</p>                                 |  <p>e guardò il<br/>fuoco.</p>                 |
|  <p>Al mattino</p>                         |  <p>il bambino ha<br/>raccolto una<br/>pentola</p> |  <p>lo riempì<br/>di pezzi di<br/>carbone<br/>arroventato</p> |  <p>e uscì dalla<br/>capanna .</p>            |
|  <p>Mowgli<br/>incontrò il<br/>ragazzo</p> |  <p>prese il piatto<br/>dalla sua mano</p>         |  <p>e scomparso.</p>                                          |  <p>Il ragazzo<br/>ululò di paura.</p>        |
|  <p>Bagheera</p>                           |  <p>inviato Mowgli</p>                             |  <p>ai lupi.</p>                                              |  <p>Mowgli portò<br/>con sé il<br/>fuoco.</p> |
