LISA AND LOTTIE

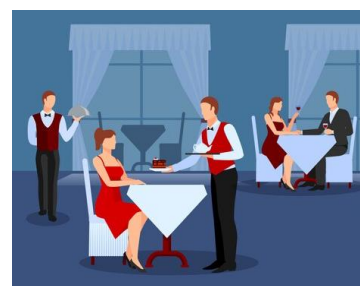

PETERKIN AND THE UNFAILING INSTINCT OF THE ANIMALS

Dr. Strobel from
Vienna...

...has a little
dog, Peterkin.

They go to a
restaurant for
lunch.

There they meet
Lisa and her
father.

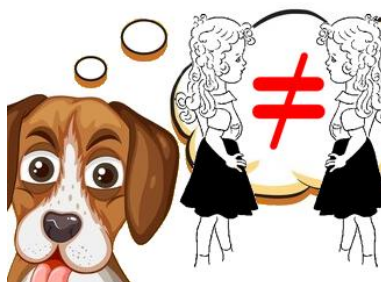

The
girl
is
actually
Lottie.

But nobody
knows that.

The dog runs to
the girl.

He knows for
sure, that it is
another girl.

The
doctor
doesn't
understand
and
is angry
with the dog.
