THE ROBBER HOTZENPLOTZ

Caution – Gold!

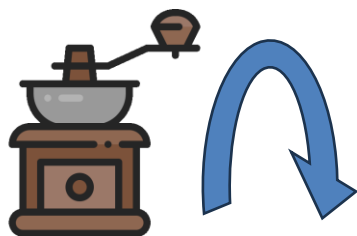

Kasperl is
Granny's grandson.

Seppel and Kasperl
are friends.

They want to catch
the robber...

...to get the coffee
grinder back.

They take a
wooden box...

...and fill it with
sand.

They paint on it,
that it contains
gold.

The robber will
surely steel it.

This is how they
want to find the
robber's hiding
place.
