THE ROBBER HOTZENPLOTZ

AN ADVENTURE IN THE DARK

Kasperl is with the
evil magician.

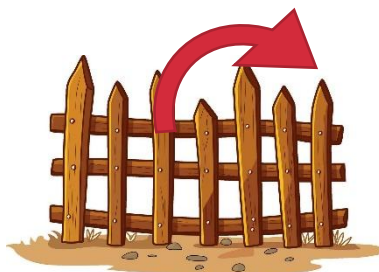

He has to peel
potatoes all the
time...

...because the
magician loves
potatoes.

During the night,
Kasperl wants to
escape.

Climbing over the
fence...

...does not
succeed.

It doesn't work
below that either.

The fence is
enchanted.

The evil magician
scolds Kasperl.
