THE ROBBER HOTZENPLOTZ

POOR SEPPEL!

Seppel is in the
robbers' cave.

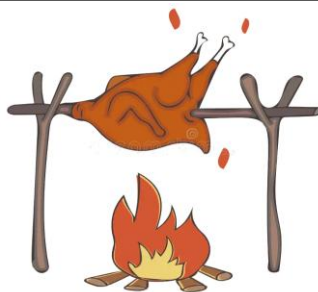

He is locked in.

He has to tidy up.

He has to clean
boots.

He has to make
dinner.

He cries while
grinding coffee...

...because the
musical coffee
grinder belongs to
Grandma!

The robber rips
Seppel's cap off
his head.

He throws the red
cap into the fire.
