GIANT PUZZLE

How to do:

1. Divide the image along the lines.
2. Each child gets a piece of the drawing and a large square drawing sheet.
3. The children enlarge and copy the patterns they see onto the drawing sheet. Try to keep the proportions!
4. The children paint the enlarged images.
5. Assemble the big picture from the finished paintings. How do the pieces fit together?
6. The pictures are attached to each other with adhesive tape on their backs.
