

## THE TRANSFORMATION OF THE MAROS AND THE OLT INTO RIVERS

|                                                                                                              |                                                                                                                                  |                                                                                                                  |                                                                                                                            |
|--------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------|
|  <p>Mures and<br/>Olt</p>   |  <p>found out from</p>                          |  <p>their mother</p>           |  <p>the reason for<br/>his sadness.</p> |
|  <p>They wanted<br/>to</p>  |  <p>search</p>                                 |  <p>their father.</p>         |                                                                                                                            |
|  <p>Tarkö</p>             |  <p>river water</p>                           |  <p>wanted to<br/>change</p> |  <p>the girls.</p>                    |
|  <p>Mures and<br/>Olt</p> |  <p>they<br/>immediately had<br/>a fight,</p> |  <p>because both</p>         |  <p>wanted to<br/>control:</p>        |
|  <p>Maros</p>             |  <p>the older one,</p>                        |  <p>Olt</p>                  |  <p>the faster.</p>                   |
