Make a rock garden decoration!

Make a rock garden decoration – description of the process

- Mix the plaster and put it in the glove with a spoon.
- Tie the end of the glove in a knot, or tie it up with a string.
- Put the glove in the shape you want and leave it to dry for 24 hours.
- Remove the glove, then polish or paint the decoration with acrylic paint.
- 😊

Needed materials:

- plaster
- bowl for mixing the plaster
- spoon for mixing
- rubber gloves
- string, bowl
