KELOĞLAN AND A MAGICAL BOWL

Magical Bowl

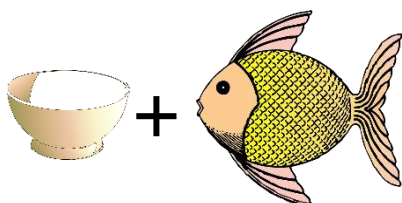

Keloglan carved
the fish's scale.

He saw a big
bowl
inside the fish.

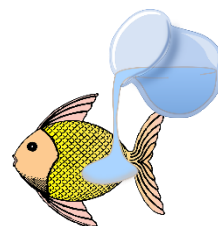

He was so
happy.

He had both
fish and bowl
now.

He took some
water in the
bowl.

To wash the
fish.

He saw gold
was pouring
from the bowl.

He repeated the
same thing
again and again.

He was excited.
He ran to tell
his mom.
