

AZ ELEFÁNT SZULTÁN ÉS A SÁNTA VÖRÖSSZAKÁLLÚ HANGYA

A GYŐZELEM

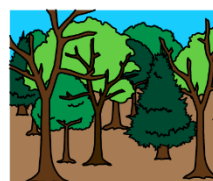

A hangyák

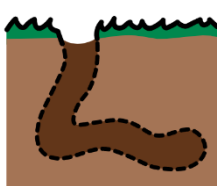

gödröket

ástak.

az erdőben.

Alagutakat és

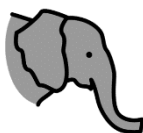

otthonokat
építettek

a föld alatt.

Végül hadat
üzentek

az
elefántoknak.

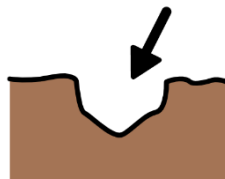

Az elefánt sereg

elindult az
erdőbe.

Beesetek

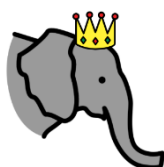

a gödrökbe.

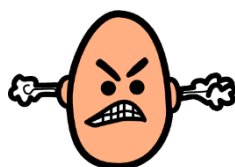

A hangyák

győztek.

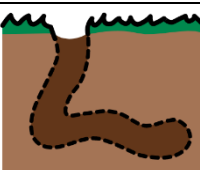

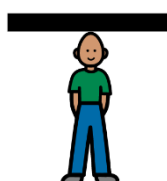

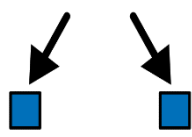

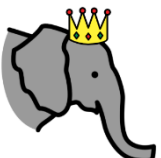

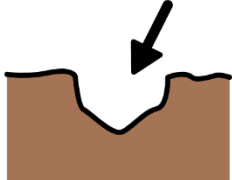

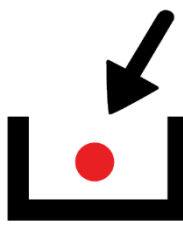

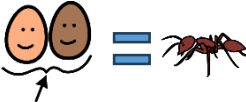

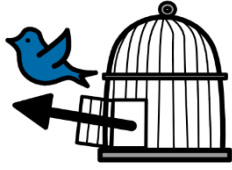

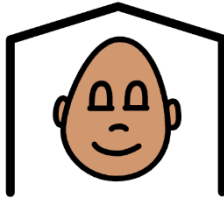

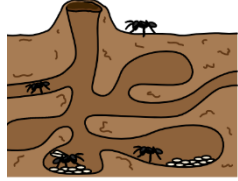

Az Elefánt
Szultán

haragjában

ugrált.

 A hangyák	 ástak alagutakat	 a palota	 alatt is.
 Az urgálásra	 a palota	 összerogyott.	
 Az Elefánt Szultán	 és Ulukepez	 is gödörbe	 estek.
 A hangyák	 boldogok voltak,	 ünnepeltek.	
 „Hangyák vagyunk”	 kiabálták.	 Szabadok és	 boldogok voltak.
 Ettől kezdve	 biztonságban éltek	 az erdőben	 az otthonukban.
