

## DIE KATZE, DIE ÜBER DAS DACH HEREINKAM

### Das seltsame Mädchen

Hundegebell

hörten sie.

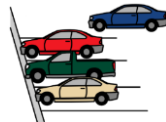

Ein großer  
Schäferhund

rusant.

Er hat etwas gejagt

für geparkte  
Autos

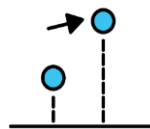

Zwischen.

Lombzizeges

gehört

ein Hoch

über Ulmen.

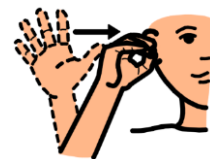

Tibbe

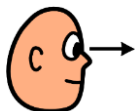

und der Lehrer

Durchsucht

was an dem Baum  
rüttelt.

Plötzlich sahen sie  
mich

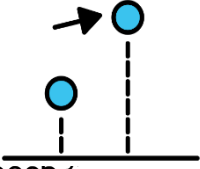

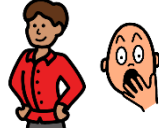

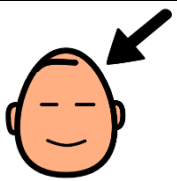

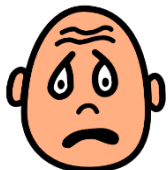

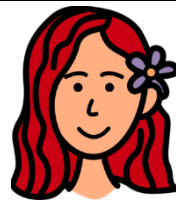

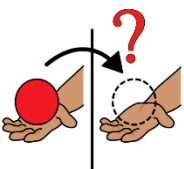

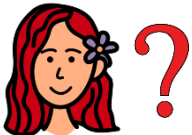

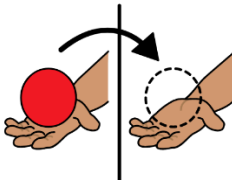

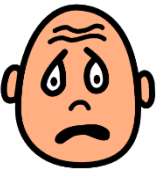

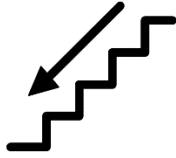

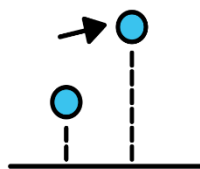

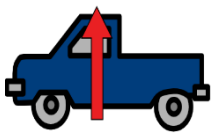

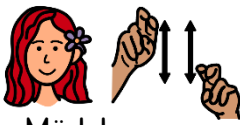

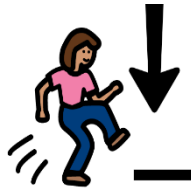

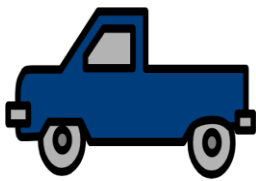

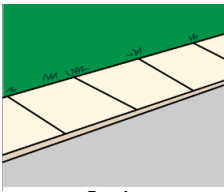

ein Bein

in Lackleder

und Strümpfe.

|                                                                                                               |                                                                                                                             |                                                                                                                          |                                                                                                                             |
|---------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------|
|  <p>"Oh, eine Frau!</p>      |  <p>rief die Lehrerin.</p>                 |  <p>"So hoch?"</p>                     |  <p>fragte sich Tibbe.</p>               |
|  <p>Ein Kopf erschien.</p>   |  <p>Mit besorgtem Gesicht</p>              |  <p>und viele rote Haare.</p>          |                                                                                                                             |
|  <p>"Element?"</p>          |  <p>gefragt von</p>                       |  <p>"EL."</p>                         |  <p>sagte Tibbe.</p>                    |
|  <p>"Ich wage es nicht</p> |  <p>herunter zu kommen.</p>              |  <p>zu hoch"</p>                     |  <p>weinte das Mädchen.</p>            |
|  <p>Tibbe</p>              |  <p>kletterte auf einen Lieferwagen.</p> |  <p>Das Mädchen kletterte heraus</p> |  <p>in Richtung des Astes.</p>         |
|  <p>abgesprungen</p>       |  <p>auf dem Lieferwagen</p>              |  <p>dann auf dem Bürgersteig</p>     |  <p>mit sehr anmutigen Bewegungen.</p> |
