

MACSKÁK TÁRSASÁGA

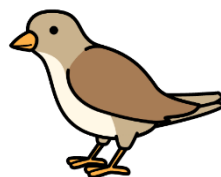

A vörös testvér

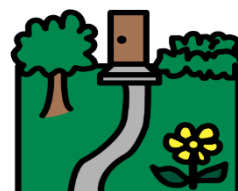

A vörös macska

hozta
a szájában

a rigót

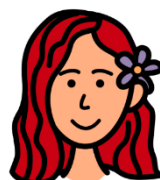

a kertből.

Diadalmasan

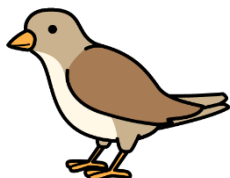

szaladt.

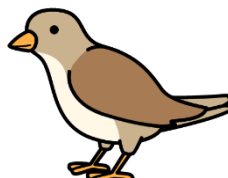

Minnához.

Mutatta

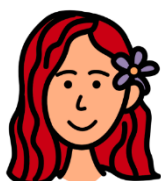

a madarat.

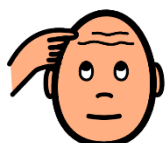

A rigó

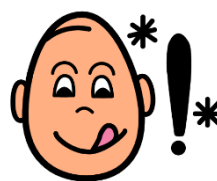

csipogott.

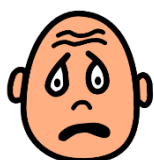

Minna

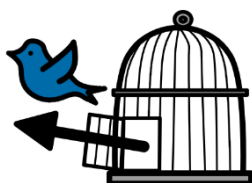

elsőre
azt gondolta:

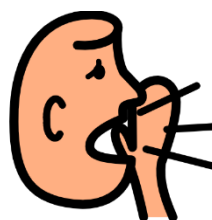

fincsi.

Aztán
elszégyellte
magát.

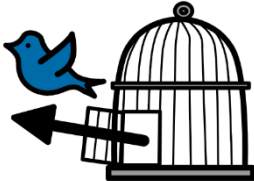

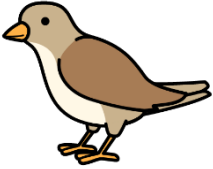

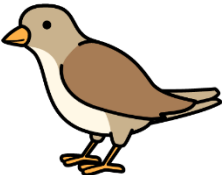

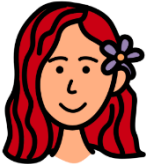

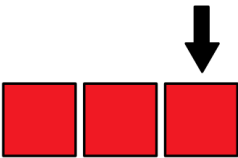

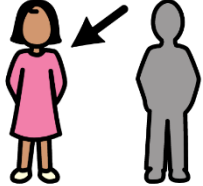

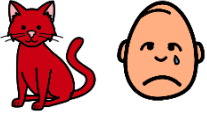

„Engedd el”

kiabálta.

És odacsapott.

			
A macska	ijedten	elengedte	a madarat.
			
A rigó	elrepült.	Boldogan	csipogott.
			
„Nahát!”	mondta a vörös macska.	„Sajnálom.”	válaszolta Minna.
			
„Dolgoztam	egész éjjel,	hogyan elkapjam	neked.
			
„Ez az utolsó	esélyed.	A húgom vagy.”	mondta szomorúan.
