

IL GATTO CHE È ARRIVATO DAL TETTO

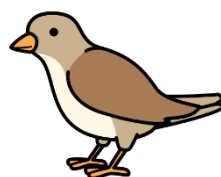

Il fratello rosso

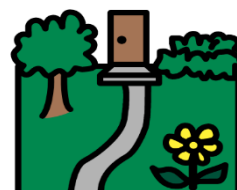

Il gatto rosso

Recuperato da
in bocca

il tordo

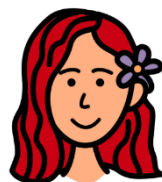

dal giardino.

Trionfante

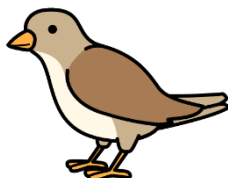

è scappato
via.

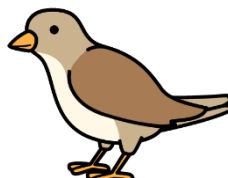

A Minna.

Mutatta

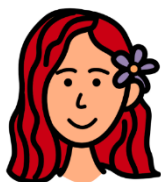

l'uccello.

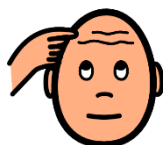

Il tordo

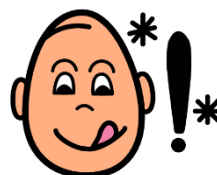

ha emesso un
segnale
acustico.

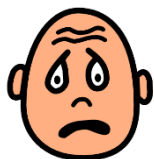

Minna

prima
pensò:

gnammo.

Poi si vergognò.

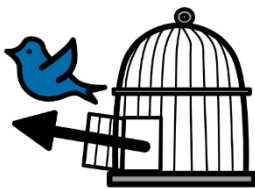

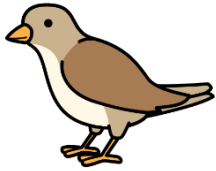

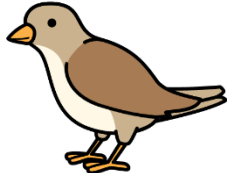

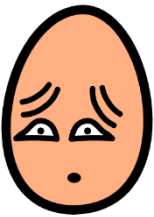

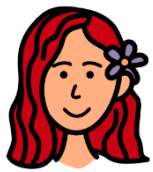

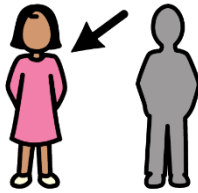

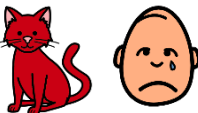

"Lascia
perdere"

ha gridato.

E mi ha colpito.

 Il gatto	 spaventato	 rilasciato	 l'uccello.
 Il tordo	 è volato via.	 Boldogan	 ha emesso un segnale acustico.
 "Wow!"	 detto il gatto rosso.	 "Mi dispiace".	 Minna ha risposto.
 "Ho lavorato	 tutta la notte,	 per catturare	 per voi.
 "Questo è l'ultimo	 la tua occasione.	 Tu sei mia sorella".	 ha detto con tristezza.
