_____	_____

- ☐ Don't forget to choose a person responsible for work, to distribute the tasks and that person must be listened to!

- ☐ How will you present your work at the end of the project?

- ☐ One should collect pictures/videos of the "make of"...

Build up the storyline! Work in group!

Talk with the other groups, so that the characters are similar in size but look somewhat different.

- ☐ Fix the main feature of characters!
- ☐ Take into account the connections among people!
- ☐ Build up the storyline!

Draw your project: you can foresee the outcome and guide the process!

- ☐ How the environment looks like? What does it contain? What would you re-create? How?
- ☐ What materials would you use?
