Some ideas – Behaviors in different situations

Act it out!

What is migration? Why migrate?

Find out and act out a situation with your friend!

Act it out!

There is war in your country and you have to emigrate. What kind of problems would you face?

Find out and play out a situation of exclusion with your friend!

Act it out!

How do you try to meet your housing needs in the country of immigration?

What should you do to learn the language of the country you are going to?

How would you use the money and valuables you brought with you in that country?

Imagine and dramatize this situation!
