

Clay faces

How do you show your emotions on your face?

Use modelling clay to create faces showing different emotions on the heads on the following pages!

Depict:

- joy
- sadness
- fear
- pride
- shame

You can make your own modelling clay.

Here is a recipe:

- 300g flour
- 200ml water
- 300g salt
- 2 teaspoons oil
- food colouring

Mix the ingredients together and you're ready to go!
