Imagine a huge desert — the Sahara.
 What are the characteristics of this habitat?

You can use coloured paper, recycled materials, fabric, glue, coloured pencils, boxes, sand, building blocks, modelling clay, etc.

I4

What are the planets of the Solar System?
 What are their characteristics?

Build your own solar system!

How do plants grow?
What do they need?

Let's plant beans and other vegetables and observe how they develop and grow.
