

Micul Prinț

Desenează-mi o oaie

 Antoine de Saint Exupéry	 El a trăit mereu singur	 Într-o zi, avionul său s-a defectat	 În deșertul Sahara
 Avea puțină apă	 A adormit noaptea	 Brusc, a fost trezit	 De o voce blândă
 Era un băiețel	 Care l-a rugat politicos	 „Desenează-mi o oaie”	 Pilotul a fost surprins să vadă pe cineva
 Copilul serios și-a repetat cererea	 Toate desenele au fost respinse	 Prima oaie era bolnavă malade	 A doua era un berbec
 Ultima era prea bătrână	 Așa că a desenat o cutie, spunând că oaia era înăuntru	 Micul Prinț era încântat	 și astfel a început întâlnirea misterioasă
